ISSUED THROUGH THE NEW JERSEY ENVIRONMENTAL INFRASTRUCTURE TRUST  
FINANCING PROGRAM

WHEREAS, on October 13, 1961, The Ewing-Lawrence Sewerage Authority (the "Authority"), a public body corporate and politic of the State of New Jersey organized pursuant to the sewerage authorities law (N.J.S.A. 40:14A-1 et seq.) (the "Act"), adopted a resolution entitled, "Resolution Authorizing and Providing for the Issuance of Sewer Revenue Bonds of the Ewing-Lawrence Sewerage Authority", as amended and supplemented (the "General Bond Resolution" or "Resolution"), providing for the issuance of revenue bonds of the Authority and authorizing the issuance of "Additional Bonds," as such term is herein defined, for the purpose of, among others, raising funds to pay the cost of acquisition or construction of any Project (as defined in the General Bond Resolution), upon the terms and conditions set forth in the General Bond Resolution; and

WHEREAS, in accordance with the provisions of Sections 216 and 217 of the General Bond Resolution, the Authority wishes to authorize a series of Additional Bonds of the Authority, each designated "Sewer Revenue Bonds", (hereinafter referred to as the "Bonds") in the principal amount of not to exceed \$5,100,000 to provide supplemental funding for (1) a portion of the Costs (as defined in the Act) associated with all or part of: (a) construction of a new UV disinfection facility to enable compliance with a new DCBM effluent limitation, (b) replacement various equipment and systems at or near the end of their useful service life, (c) correcting hydraulic bottlenecks that during severe wet weather conditions can cause the primary clarifiers to overflow, and (d) construction of new preliminary treatment facilities to provide screening of influent wastewater and improved grit removal, (2) the payment of any interim financing related to the 2014 Project as defined herein, (3) the payment of costs associated with the issuance of the Bonds (collectively, the "2014 Project") pursuant to this 2014 Supplemental Resolution (as hereinafter defined) and (4) the financing of capitalized interest, as necessary; and

Res. 62:14. On motion of Mr. Colavita and seconded by Mr. Cermele the following resolution was presented for adoption:

RESOLUTION OF THE EWING-LAWRENCE SEWERAGE AUTHORITY DECLARING ITS  
OFFICIAL INTENT TO REIMBURSE EXPENDITURES FOR PROJECT COSTS FROM THE  
PROCEEDS OF DEBT OBLIGATIONS IN CONNECTION WITH ITS PARTICIPATION IN THE  
2013-2014 NEW JERSEY ENVIRONMENTAL INFRASTRUCTURE TRUST FINANCING  
PROGRAM

WHEREAS, The Ewing-Lawrence Sewerage Authority (the "Borrower") is a public body corporate and politic of the State of New Jersey organized pursuant to the sewerage authorities law (N.J.S.A. 40:14A-1 et seq.) (the "Act"); and

WHEREAS, the Borrower intends to acquire, construct, renovate and/or install the environmental infrastructure project more fully described in Exhibit A attached hereto (the "Project"); and

WHEREAS, the Borrower intends to finance the Project with debt obligations of the Borrower (the "Project Debt Obligations") but may pay for certain costs of the Project (the "Project Costs") prior to the issuance of the Project Debt Obligations with funds of the Borrower that are not borrowed funds; and

WHEREAS, the Borrower reasonably anticipates that obligations, the interest on which is excluded from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), will be issued by the New Jersey Environmental Infrastructure Trust (the "Issuer") to finance the Project on a long-term basis by making a loan to the Borrower with the proceeds of the Issuer's obligations (the "Project Bonds"); and

WHEREAS, the Borrower desires to preserve its right to treat an allocation of proceeds of the Project Debt Obligations to the reimbursement of Project Costs paid prior to the issuance of the Project Debt Obligations as an expenditure for such Project Costs to be reimbursed for purposes of Sections 103 and 141 through 150, inclusive, of the Code.

NOW, THEREFORE, BE IT RESOLVED by the governing body of the Borrower as follows:

Section 1. The Borrower reasonably expects to reimburse its expenditure of Project Costs paid prior to the issuance of the Project Debt Obligations with proceeds of its Project Debt Obligations.

Section 2. This resolution is intended to be and hereby is a declaration of the Borrower's official intent to reimburse the expenditure of Project Costs paid prior to the issuance of the Project Debt Obligations with the proceeds of a borrowing to be incurred by the Borrower, in accordance with Treasury Regulations §150-2.

Section 3. The maximum principal amount of the Project Debt Obligations expected to be issued to finance the Project is \$5,100,000.00.

Section 4. The Project Costs to be reimbursed with the proceeds of the Project Debt Obligations will be "capital expenditures" in accordance with the meaning of Section 150 of the Code.

Section 5. No reimbursement allocation will employ an "abusive arbitrage device" under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Code. The proceeds of the Project Bonds used to reimburse the Borrower for Project Costs, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in Treasury Regulations §1.148-1), of the Project Debt Obligations or another issue of debt obligations of the Borrower, other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury Regulations §1.148-1).

Section 6. All reimbursement allocations will occur not later than 18 months after the later of (i) the date the expenditure from a source other than the Project Debt Obligations is paid, or (ii) the date the Project is "placed in service" (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

Section 7. This resolution shall take effect immediately.
