The applicant proposes construction of a two-story 14,340 square foot Walgreens at the southwest corner of North Olden Avenue and Parkside Avenue. Mr. Jacobs recommended granting preliminary subject to the comments in his letter dated October 15, 2015.

Res. 109:15. On motion of Mr. DiFrancesco and seconded by Mr. Geter the following resolution was presented for adoption:

WHEREAS, WALGREENS proposes construction of a two story 14,340 square foot facility at the southwest corner of North Olden Avenue and Parkside Avenue in Ewing Township; and

WHEREAS, the EWING-LAWRENCE SEWERAGE AUTHORITY (the "Authority") considered the application of the Developer to connect its proposed facility to the Authority's sewerage system;

NOW, THEREFORE BE IT RESOLVED that the proposed connection for the Developer's proposed Development to the Authority's sewerage system is approved, subject to the following conditions:

1. The Developer, at its own cost, shall provide "as-built" plans for the sewerage system in a manner acceptable to the Authority's Engineer prior to the issuance of a Certificate of Occupancy by the Township.
2. The Developer, at its own cost, shall provide all necessary easements to the Authority upon the request of the Authority.
3. The Developer shall revise its utility plans in accordance with such recommendations as the Authority's Engineer shall specify.
4. The Executive Director is hereby authorized to execute all forms necessary to obtain a NJDEP Permit.
5. The Authority hereby endorses this project and further certifies that said project meets the 201 Agency requirements and expects to continue to meet the NJPDES Permit requirements.
6. This final approval granted pursuant to this Resolution shall expire two (2) years from the date hereof.
7. The developer shall pay the appropriate connection and inspection fees.
8. The sewers shall conform to the Authority's Rules and Regulations.
9. This approval is subject to acceptance of the comments and conditions outlined in Jacobs Environmental Consulting's letter dated October 15, 2015.
